Mylene is 009, a beautiful cyborg spy working for the Western block's "00" division. Her latest assignment is to expose a human trafficking operation and rescue an abducted scientist who created a covert cyborg technology. Can the one-woman killing machine accomplish her deadly mission and rescue the human memory of her former self? In the near future, the world is divided into opposing Western and Eastern blocs. Mylene is 009, a beautiful cyborg spy working for the Western block's "00" division. Her latest assignment is to expose a human trafficking operation and rescue an abducted scientist who created a covert cyborg technology. Can the one-woman killing machine accomplish her deadly mission and rescue the human memory of her former self? SD. HD. Marking the 75th anniversary of his birth, Shotaro Ishinomori's classic spy heroine manga "009-1" has been adapted into a live-action motion picture for the first time ever. As such, it is used as a battleground for the two sides in their never-ending conflict. Mylene, an undercover agent from the western block, has been hiding out in J-Country. While investigating human trafficking, she meets a young man named Chris. Mylene finds herself attracted to Chris and after completing her mission and returning to headquarters she is unable to keep him out of her mind. "Recover Dr. Klein and see to her protection!" is the newest mission assigned to Mylene from the 00 agency. 009-1: The End Of The Beginning | GoStream. 009-1: The End Of The Beginning. Trailer. Like and Share our website to support us. In 20xx, the world is divided into two powers: the Western Block and the Eastern Block. Serving as a border zone between the two is "J-Country." is a spy from the Western block. She sneaks into J country and carries out an operation to expose human traffickers. While carrying out her mission, she meets a young immigrant man named Chris.
